

PIKES PEAK TEAM ASSOCIATION COMPETITION

Founded in 1959, the Pikes Peak Team Association includes 10 ladies' golf associations representing: Broadmoor Golf Club; Colorado Springs Country Club; Country Club at Castle Pines; Country Club of Colorado; Eisenhower (AFA); Kissing Camels; Patty Jewett Golf Course; Perry Park Country Club; Pueblo Country Club; and Country Club at Woodmoor.

Matches are scheduled between May 1 and August 31, with all teams meeting each other once during the season. On any given match day, players available from each team with the lowest eight handicap indexes compete on the A Team (maximum handicap 25); while the next eight compete on the B Team (maximum handicap 32). Playing with a partner, each side accumulates points in a gross and net, team match play competition. Annual awards are presented at September Field Day to A and B Teams winning the highest total points during the season for net and gross contests.

If you are interested in joining team, please contact one of the captains:
